

# THE BLACK HORSE

## America's coming Famines

"And when he had opened the Third Seal, I heard the third beast say, Come and see. And I beheld and lo a Black Horse; and he that sat on him had a pair of balances in his hand..see thou hurt not the oil and the wine." **Revelation 6:5-6**

### Wall Street Journal: "STOCKPILE FOOD!"

"I don't want to alarm anybody, but maybe it's time for Americans to start stockpiling food. No, this is not a drill. You've seen the TV footage of food riots in parts of the developing world. Yes, they're a long way away from the U.S. But most foodstuffs operate in a global market. When the cost of wheat soars in Asia, it will do the same here. Reality: Food prices are already rising here much faster than the returns you are likely to get from keeping your money in a bank or money-market fund. And there are very good reasons to believe prices on the shelves are about to start rising a lot faster. **Load up the pantry!**" says Manu Daftary, Wall Street's top investor and the manager of the Quaker Strategic Growth mutual fund."

-Brett Arends, WSJ-online, 4/21/08

As the prophetic signs of the times manifest themselves in America and the Church remains asleep. Not even the shofar from heaven could wake them up! Hear the shout of The Remnant and accept the Seal of Salvation from famine!

"Behold, the eye of YHWH is upon them that fear him, upon them that hope in his mercy; To deliver their soul from death, and to keep them alive in famine." - **Psalms 33:18-19**

"A total population of 300 million people – a 95% DECLINE from present levels would be ideal."

-Ted Turner, **Audabon Magazine**, 1996

### DEPOPULATION Agenda

"Each one of them is one in a million. They number six thousand on a planet of six billion. They run our governments, our largest corporations, the power-houses of international finance, the media, world religion and from the shadows, the world's most dangerous criminal and terrorist organizations. They are the global Super Class, and they are shaping the history of our time," states the promo for the book, **SUPERCLASS – The Global Power Elite and the World They are Making**. Former under-secretary of commerce in the Clinton administration and an officer in an assortment of advisory firms (including Henry Kissinger Associates, run by former Secretary of State Henry Kissinger, and the consulting company Rothkopf himself founded, Garten Rothkopf), Rothkopf is an insider...well enough connected to sit in on meetings of these power brokers. According to the article, the Elitist(s) celebrated in Rothkopf's book "have little need for national loyalty, view national boundaries as obstacles that thankfully are vanishing, and see national governments as residues of the past..."

"Countless people will hate the new world order ... and will die protesting against it."

- H.G.Wells, **The New World Order**, 1939

The agenda of the globalist Luciferian Elite has been revealed time and time again. Also known as the architects of the "New World Order" and the United Nations, they have initiated their global depopulation agenda even before the "false flag" government-sponsored terror of 9-11. Because of successful CFR-generated propaganda and disinformation, plans for global war (the Red Horse), famines (the Black Horse) and weaponized bio-weapons (the Pale Horse) are being implemented to depopulate the planet's 6-7 billion people to a manageable level of between 500 million and 2 billion. The judgments

of Revelation which were prophesied long ago have begun, and you are the target for their maniacal extermination plans.

There is coming a brutish time of severe food shortages in America. Each of us will be dramatically affected. There will be little or no food at any price. What limited food supplies do remain will be strictly controlled by government authorities. Food will be rationed by law, and you and I will be allowed to purchase only our meager portion. Moreover, your cries and earnest plea to buy food will be refused by the authorities unless your name and number are found in the **World Food Authority's** central computer database. **I repeat: Food shortages are soon to become painfully evident in North America.** The specter of famine now looms large in our lives. It was prophesied!

"For nation shall rise against nation, and kingdom against kingdom: and there shall be earthquakes in diverse places, and there shall be FAMINES and tribulation: these are the beginnings of sorrows." – **Mark 13:8**

The Savior saw the future and the Great Tribulation upon America in the last days. Because of World War III and the economic collapse of the US (fiat) dollar system, the fragile civilization of the Western world disintegrates into chaos and famines. Yahsha h'Meshiakh warned us of these judgments long ago in order to save a faithful remnant who would take heed to the Covenant of Yahweh. **Two Witness Ministries prays that you will contact us, and BEG for information on Baptism in order to receive the Seal of Salvation and escape the Black Horse!**

Here are more quotes by those of the SuperClass who are working for their greatest goal: a One World Govt under Lucifer's son – the coming Anti-Messiah! At a meeting of the Trilateral Commission in '91, its founder David Rockefeller said,

"We are grateful to *The Washington Post*, *The New York Times*, *Time Magazine* and other great publications whose directors have attended our meetings and respected their promises of discretion for almost 40 years. It would not have been possible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years."

"The Committee of 300 long ago decreed that there shall be a smaller—much smaller—and better world, that is, their idea of what constitutes a better world. the myriads of useless eaters consuming scarce natural

resources were to be CULLED. Industrial progress supports population growth. Therefore the command to multiply and subdue the earth found in Genesis had to be subverted."

-John Coleman's **Conspirator's Hierarchy- The Committee of 300**

### CLUB OF ROME: "CULL the Useless Eaters"

This group of Anglo-American financiers and industrialists from ten different countries, met in April, 1968 at Rockefeller's private estate in Bellagio, Italy, at the request of Aurelio Peccei, the Italian industrialist who had close ties to Fiat and the Olivetti Corporation. He claimed to have solutions for world peace and prosperity, which could be accomplished through world government. The Club of Rome was established with a membership of 75 prominent scientists, Industrialists, and economists from 25 countries, which along with the Bilderbergers, have become one of the most important foreign policy arms of the Roundtable group. The first Club of Rome conference in the U.S. was in 1969, where the American branch was organized as the "American Association of the Club of Rome."

On Sept. 17<sup>TH</sup>, 1973, they released a Report called the "Regionalized and Adaptive Model of the Global World System," which was prepared by Mihajlo Mesarovic and Eduard Pestel, which revealed the Club's goal of dividing the world into ten political / economic regions, called "Kingdoms," (Dan.2:41-44) thus uniting the entire world under a single form of evil government. These regions are: North America, Europe, Japan, South Africa and Australia, Asia, South America, North Africa and Middle East, Central Africa, India and Indo-China, and China.

Throughout the world, the Club of Rome has indicated that genocide should be used to eliminate people who they refer to as the **"useless eaters."** (See also the Georgia Guidestones.) (commencing with the Islamic world which sits on the world's largest oil deposits) This would be accomplished by using limited wars in advanced countries, and even a limited nuclear strike at a

strategic USA port or other location; starvation through "created famines", diseases and plagues is the official Super Class agenda under Vatican control.

**"Food is Power!  
We use it to change  
behavior. Some may  
call that bribery.  
We do not apologize."**

These were the threatening, blustery words of the stern-faced Catherine Bertini at a past UN World Food Summit. Ms. Bertini was executive director of the UN's World Food Program (WFP) Her threat is real and based upon Club of Rome population "decimation" plans cited above.

### US POLICY – FOOD CONTROL GENOCIDE

Adopted as official policy in November 1975 by President Gerald Ford, Henry Kissinger's NSSM 200 outlined a covert plan to reduce population growth in those countries through birth control, and also, implicitly, war and FAMINE. Brent Scowcroft, who had by then replaced Kissinger as national security adviser (the same post Scowcroft was to hold in the Bush administration), was put in charge of implementing the plan. CIA Director George Bush was ordered to assist Scowcroft, as were the secretaries of state, treasury, defense, and agriculture. These plans are still in effect!

Howard Odum, a marine biologist at the University of Florida, a member of The Club of Rome, was quoted in the August, 1980 edition of Fusion magazine, as saying: *"It is necessary that the United States cut its population by two-thirds within the next 50 years."* These plans were based upon an earlier secret UN report (which wasn't released until Sept. 1966), known as the **Report from Iron Mountain on the Possibility & Desirability of Peace** appeared to be a blueprint for the future of the USA, and contained recommendations that included plans for "governmental control and manipulation, depopulation, gun control and disarmament, an international police force, and FEMA concentration camps."

In 1981, the Council on Environmental Quality made recommendations based on the National

Security Report Global Report 2000, called *"Global Future: A Time to Act."* They suggested an aggressive program of population control which included sterilization, contraception and abortion. In August, 1982, the Executive Intelligence Review published a report called **"Global 2000: Blueprint for Genocide"** which said that the two aforementioned Presidential reports *"are correctly understood as political statements of intent - the intent on the part of such policy centers as the Council on Foreign Relations, the Trilateral Commission, and the International Monetary Fund, to pursue policies that will result not only in the death of the 120 million cited in the reports, but in the death of upwards of 2 billion people by the year 2000."* (They are behind schedule!)

**Author Texe Marrs**

*"It is the plan of these (SuperClass) plotters to gain total world power thru their control of the production, storage, distribution, & sale of food. Food, they are convinced, translates into empire and is the ultimate weapon in the seduction of mankind."*

It is control of food — it's production and distribution—that rogue agents of global evil will use as a battering ram to drive a desperate and starving people of America into submission to the coming Anti-Messiah! Secret units of the federal government have already set up a structure of control over the food production and supply system. Their spy satellites overhead in the sky are now monitoring what farmers are planting. Patented military "weather-modification weapons" such as HAARP are employed to cause intermittent floods and droughts, increased tornados and level 5 hurricanes! Failed genetically modified "GMO Frankenfood" engineering, and unexpected late freezes in the Midwest, are some of the reasons the surplus is gone. With the collapsing dollar, nations are now feeling the price squeeze and are now closing their ports and borders to protect their dwindling food supplies.

### COLLISION WITH THE NATURAL WORLD

"Birds and fish are dying all over the world in numbers that vary between the thousands and the millions - at a time. Bee populations in North

America are down 80 percent in certain areas and vultures, which not many years ago were omnipresent throughout India, Nepal and Pakistan, are now facing extinction. What is the cause? The answer is, *"Everything!"*

Since the industrial revolution, the US has been pouring every kind of toxic synthetic substance we can develop onto the land, pumping it into the air and piping it into our creeks, rivers, lakes, seas and oceans. In more modern times we have trumped simple pollution by bombing the hell out of regions of the world with radioactive munitions (DU); we are microwaving the entire planet to enhance communications and; the SuperClass has opened the Pandora's box by genetically-modifying YHWH's creation to accommodate the "marketplace." America is in big trouble and blaming SUVs (or Al Gore) will not make it go away!"

Millions will be in abject terror as the most evil among us pound at the door and break in the windows of cities and suburbia. Police agencies and military units are training for hardcore Martial Law and urban warfare around the clock every day across the land in preparation for

**An Alex Jones Video**

food riots, gun confiscations and detentions on a scale never before contemplated. Under Executive Order and Homeland Security protocols, communications will be controlled, then severed, as the Beast and the military begin a "black-out" that will erase the final "freedom" that Americans have enjoyed through the use of cell phones and the internet. This will be so they can implement their battle plans without your knowing of it or being able to sound the alarm. The coming descent into utter darkness will put the last nail on the coffin of freedom as surely as Yahweh's judgments will strike this apostate pagan nation of unrepentant Baal worshipers.

This will be a breath taking panorama of destruction and suffering like nothing you have ever witnessed or can even imagine. (Matthew 24:22) Because of this Curse of Judgment, men and women will become so desperate for food they will even murder and eat their own starving little children! *This is called "Great Tribulation!"*

*"And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which YHWH hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee (with famine)"*

**Deuteronomy 28:53 (KJV)**

### THE PERFECT STORM

*"Meteoritic food and fuel prices, a (collapsing) dollar, the demand for bio-fuels and a string of poor harvests have combined to abruptly multiply WFP's operating costs, even as needs increase. In other words, if the number of needy people stayed constant, it would take much more money to feed them. But the number of people needing help is surging dramatically. It is what UN World Food Program Executive Director Josette Sheeran calls "a perfect storm" hitting the world's hungry." – LA Times, 4/1/08*

Because of the fear of more conquests of Middle East oil countries by the White Horse, a barrel of oil predicted to reach \$200 a barrel, **that's why Famine will strike America!** Here are additional facts that make famine inevitable.

- GMO Frankenfoods are killing-off honeybees
- Corn has been diverted to fuel alternatives
- The collapsing dollar means higher prices
- High gas prices are bankrupting the farmer
- Foreign countries are ceasing exports
- Midwest floods and Californian drought
- Increase in food disease outbreaks & recalls

*"food reserves are at their lowest for 30 years."*
