

Is Your Faith Founded Upon *Fact or Fiction?*

The French philosopher, historian, and religion scholar Ernest Renan stated in his book, *The Life of Jesus*, that the Savior was never called "Jesus" in His lifetime. Renan based his conclusion on his archaeological trips to the Holy Land.

Who Turned Water Into Wine?

Millions of Christians have never been told the fact and would be UTTERLY SHOCKED to learn that the Savior's trusted Apostles of 2,000 years ago had never known nor ever heard of- much less preached a Savior by the traditionally-accepted name "*Jesus Christ*". The prophesied terror event of 9-11 (2001) opened the First Seal of Revelation's Judgments upon America. The curses are unfolding because the Churches are not giving honor to the true Name of Israel's Messiah! Turn away from the hoax of Mystery Babylon!

Note: This Factsheet does not attack the historical figure of the "New Testament".

Merriam-Webster's Online Dictionary,

- **Fact** – the quality of being actual; <actuality – a question of *fact* hinges on evidence>, in truth.
- **Fiction** - something invented by the imagination or feigned; a useful illusion or pretense

Since, 9-11, many unrealized facts are now being revealed which debunk many of the false assumptions and deceitful doctrines of the institutional IRS-approved paganized "Church of Babylon". Renan is not the only one disclaiming the popular name of Israel's Messiah. Proof likely exists in your own home or can easily be found in your local library. You'll find a wealth of proof in these pages—references that are common in any library.

The Great Deception – the Missing "J"

FACT: The name "Jesus Christ" was historically non-existent before the 16th century. It was only after the invention of the printing press that the English language formally adopted the letter "J". Prior to 1526, there was not one English version of the Bible on planet earth that contained the name "Jesus" beginning with the letter "J". This invention "Jesus" - adored by the Pope & millions of Christians - is actually less than 500 years old!

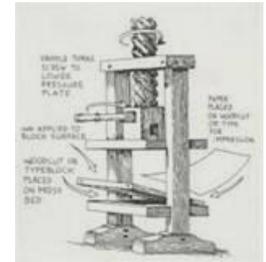

Webster's Universal Dictionary (1936) discloses the early relationship between I and J:

"As a character it was formerly used interchangeably with "i," both letters having originally the same sound; and after the "j" sound came to be common in English, it was often written where this sound must have been pronounced. The separation of these two letters is of comparatively recent date, being brought about through the influence of the Dutch printers."

From *Builders of the Old World*...Through thousands of years people had been making books of one kind or another. In early ages, men . . . recorded their thoughts and discoveries on papyrus rolls, or clay tablets, or stone walls. During the Middle Ages, they wrote them out by hand on parchment. . . . in the middle of the 15th century, men learned how to make books quickly and cheaply.

The Printing Press

Fortunately a new material, paper had come to Europe. . . . Early in the 15th century the people of Europe began printing in a simple way. . . . Then a way of printing was worked out by someone who, many people think, was Johann Gutenberg, of the city of Mainz, in Germany. . . . In 1456, after years of hard work and discouragement, Gutenberg's dream of printing a Bible came true. It is generally considered the first Book in the world printed from movable metal type."

I-J

The printing press soon replaced the laborious copying by scribes the longhand editions of the Bible. The initial copies of the King James Version did not use the letter J for the Savior's Name. No evidence has come to light that shows the letter 'I' ever had the consonantal sound of the letter 'J'. This is shown in the New Funk and Wagnall Encyclopedia:

"Not until the middle of the 17th century did this usage become universal in English books; in the King James Bible of 1611 for example, the words Jesus and judge are invariably- Iesus and iudge."

One of the most obvious reasons that "Jesus" and "Jehovah" are incorrect is found in their common initial letter, J. This is corroborated by the authoritative Oxford English Dictionary concerning the letter J,

"The J j types are NOT used in the (King James) Bible of 1611...."

Most comprehensive dictionaries & encyclopedias demonstrate that the English letter J is of recent derivation – less than 500 years old!

The Encyclopedia Americana contains the following on the letter J:

"The form of J was unknown in any alphabet until the 15th century. Either symbol (J,I) used initially generally had the consonantal sound of Y as in year. Gradually, the two symbols (J,I) were differentiated, the J usually acquiring consonantal force and thus becoming regarded as a consonant, and the I becoming a vowel. It was not until 1630 that the differentiation became general in England."

Chambers's Encyclopedia says that in medieval handwriting the small i was liable to be confused with one of the strokes of a preceding or following u. Therefore an oblique stroke and later a dot was often made over the i. Alternately, the i was prolonged below the line.

FACT: See, there was no letter "J" in any of the early languages of the Scriptures. There is NO equivalent letter or sound for "J" in Hebrew, Greek or Latin! It's impossible to say that "Jesus" is the heavenly name given for salvation and redemption from sin and transgression! Changing the Savior's name to "Jesus" was CHANGING the Bible! Remember, **the Torah Law demands that we never "add to or take away" from His inspired Word!** (Deut.12:32; read the warning in Rev.22:18!) Those who are praising and praying to "Jesus"

are honoring a LIE invented by men. It does NOT fulfill Acts 4:12 nor the words of Apostle Shaul in Philippians 2:8-10. Even the Prophet Jeremiah predicted that the Scriptures would be mistranslated. (Jeremiah 8:8) In effect, the true Hebrew Name of the Savior has been HIDDEN from mankind, UNTIL the revealing of the First Seal on 9-11! Two-Witness Ministries wants you to accept the facts of this restored Truth, so you can truly be FREE! (Yohn 8:32)

"A false witness shall not be unpunished, and he that speaketh lies shall perish" – Prov.19:9

Again, the fact remains forever: **None of the Hebrew-speaking Jewish Apostles ever knew of any man by the name of "Jesus Christ"**, much less taught anyone or performed miracles in this name of the 16th century! By using substitute names, Churchianity has DENIED His blessed Name! Most aspiring religious groups strive to be the "Philadelphia Assembly" mentioned in Revelation chapter 3. But they overlook one of its vital attributes:

"I know you have little strength, yet you have kept my word and have NOT DENIED my name," Revelation 3:8

Babylon's Trojan Horse

666
in Jesus Name

If you revert back to the original Latin letter "I" instead of the "J", you get "Iesus" which is the Latin form by Jerome of the RCC - Roman Catholic Church. This is pronounced as: "H'SUS".

Q: Was this the Hebrew Name of Israel's Messiah? No. This is even confirmed in the Hebrew text of **Psalms 33:17**, which states, "H'SUS (the Horse) is a vain hope for safety!" All Spanish-speaking

people know to pronounce the name "Jesus"

as... H'SOOS or Hey-Soos or the spelling of H'SUS. This would be the case with most from other countries as well, whose tongues also have no "J" sound. In Hebrew, words have specific meanings! By using this counterfeit form, the Church has encouraged prayer and praise to "the Horse" of war, because that is what "H'SUS" literally means in the Hebrew tongue! – NOT the Prince of Peace! Just because you might call an apple by the name of "elephant", doesn't make it so! All throughout Scripture, "the Horse" is a symbol of War, Judgment & Death, such as we find in Revelation chapter 6 which unveils the dreaded **FOUR HORSES of the Apocalypse!!** "Jesus" means the direct opposite of peace, freedom, salvation, or life! "Jesus" in Hebrew literally means WAR & DEATH-666! (Request the even more shocking Factsheet: **Babylon's Trojan Horse-666 in Jesus Name!**) Satan has deceived the whole world-Rev.12:9 **FACT: Mariam did not call her son the Savior "H'SUS" (Jesus) the Horse of War & Death!**

But the Church of Babylon has!

The Savior said that people would love their traditions over the commandments of YHWH! (see Mark 7:6-8) The FACT remains, "Jesus" is a hoax, a crank, a blasphemous counterfeit which cannot "save", and your pastor and/or priest KNOW THIS!!! They are fully aware of these truths brought forth in this Factsheet, but they are afraid to tell you because you might stop sending them your tithe money!

"They changed the truth for a lie." Rom.1:25
